

Park West Court Apartments

A Division of Columbus Center for Human Services, Inc.

Park West Court Apartments is a specialized care facility providing comprehensive support services to adults with mental retardation and other developmental disabilities.

Certified by the Ohio Department of Human Services under the Medicaid Program and licensed by the ODMR/DD, Park West Court Apartments is a private, non profit facility. It was created in direct response to the deinstitutionalization movement of the early 1980's and founded in the concept of normalization.

Residents at Park West Court Apartments enjoy a supportive community where positive relationships grow.

Since its inception in 1983, Park West Court Apartments has earned a reputation for meeting the unique challenge of providing services to adults whose support needs are associated with developmental disabilities and the aging process. The name Park West has become synonymous with the delivery of quality, health, habilitation, and rehabilitation services.
